Azimut Brut Nature
Penedes, Spain

Cavas are known for their excellent value, and this organic sparkler is a perfect case in point. Notes of white peach, Meyer lemon and fine bubbles with a saline touch (courtesy of a minimum 10 months' bottle aging on the lees) make this a perfect festive wine or start to any meal.

Azimut Blanc
Penedes, Spain

A single-vineyard blend of traditional Spanish white varieties, organically cultivate and spontaneously fermented. The result is a lush white with plenty of citrus fruit, pleasant creaminess and a saline touch reminiscent of its Mediterranean terroir. We love to serve it with seafood or paella.

Azimut Brisat Orange
Penedes, Spain

"Brisa" means *pomace* in Catalan, and "Brisat" is the traditional term for skin-contact wines in Penedés. This easy-drinking blend of organically-grown, indigenous Spanish white grapes is "all texture, spices, fruit and laughter," says winemaker Assis Suriol whose family has farmed their estate since the 1600s. 5 days of skin contact gives this wine just the right amount of grip. Juicy, bright and peachy!
