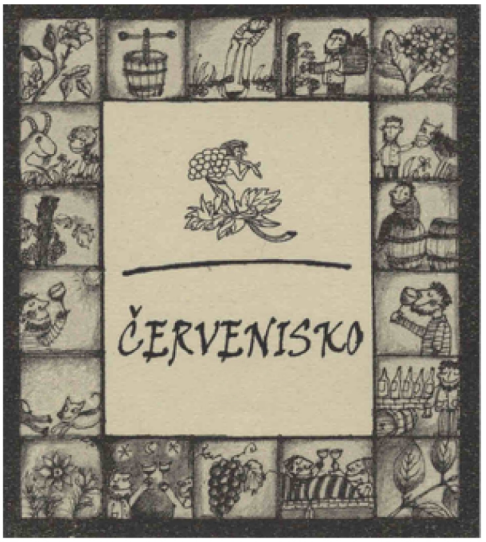
Category	Wine - Still - Red
Grape varieties	Blaufränkisch, St. Laurent, Blauer Portugieser, Zweigeltrebe
Region	Moravia, Czech Republic
Features	Organic, No sulfites added



Distributor's notes

Grapes are hand harvested and whole bunches are fermented in 500 liter open topped wood tanks for about 10 days with only indigenous yeast. The grapes are foot stomped after fermentation completes then it spends 10 months in elevage in 225 liter barrels, with battonage performed about 6 times. The wine is lightly sulfured and is unfiltered and unfined.
