Poggiosecco, Ginestreto Rosso

Producer: Poggiosecco
Vendor: Jenny & François Selections
Category: Wine - Still - Red
Grape varieties: Sangiovese, Merlot
Region: Tuscany, Italy
Features: Organic, Biodynamic

Distributor's notes

Vinification Method: Alcoholic fermentation takes place separately for the two varieties at a controlled temperature (26 °C) and for about 16-18 days with pump overs and punch downs. Aged 4 months in cement tanks followed by 4-6 months in bottle.
Tasting Notes: The color is ruby red with violet hues. Nose is clean and clear, with hints of prunes and spicy licorice. Soft tannins, long on the palate, finishes dry.
Pairing: Pairs well with roasts, grilled meats, and cheeses.

About the producer

Azienda Agricola Poggiosecco is located in the hills of Montalbano, Tuscany between the towns of Cerreto Guidi and Vinci. The winery was established in 1967 and was one of the first members of the Consorzio del Chianti. In 2001 Poggiosecco was completely restructured and began the path toward organic farming. Their goal is to produce quality wines that respect the characteristics and nature of the land.
