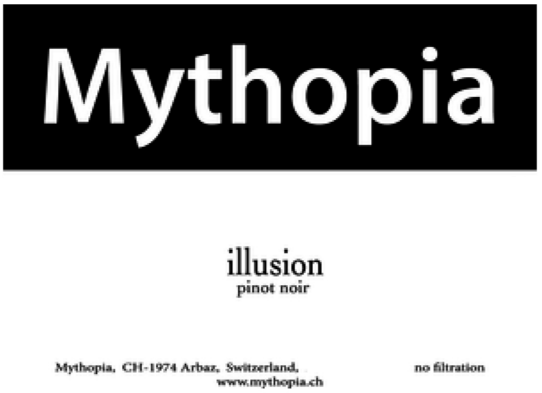
Mythopia, Illusion

Producer	Mythopia
Vendor	Jenny & François Selections
Category	Wine - Still - Red
Grape variety	Pinot Noir
Region	Valais, Switzerland
Appellation	Valais
Features	Organic, Biodynamic, No sulfites added



Distributor's notes

Vinification Method: Grapes are hand harvested and partially destemmed. They ferment with indigenous yeast in 1000 liter stainless steel tanks for about 12 weeks during which time pigeage is performed. Some of the wine is transferred to used 400 liter oak barrels and the wine ages for 2 more years without intervention. The wine is bottled without fining or filtration and zero sulfur is added.
