Christian Tschida Himmel Auf Erden Weiss

Burgenland, Austria

Meet a legend: 4th-generation winemaker taking painstaking care of his 10ha of old vines and then doing virtually nothing in the cellar (incl. adding zero sulfur). The result is art (one of Christian's big passions) both inside and outside the bottle. Scheurebe & Pinot Blanc from 50+yo vyds, a lesson in elegance and class.

Christian Tschida Himmel Auf Erden Maischevergoren

Burgenland, Austria

Meet a legend: 4th-generation winemaker taking painstaking care of his 10ha of old vines and then doing virtually nothing in the cellar (incl. adding zero sulfur). The result is art both inside and outside the bottle, like this skin-contact ("maischevergoren" in German) blend of Scheurebe and Muscat wonderfully balancing between lightness and power.

Burgenland, Austria

Meet a legend: 4th-generation winemaker taking painstaking care of his 10ha of old vines and then doing virtually nothing in the cellar (incl. adding zero sulfur). The result is art both inside and outside the bottle - in this case a Cabernet Franc that's incredibly juicy and soulful at the same time.
