

jenny & françois selections

importer of natural wines

Fermina White

Alicante, Spain

Typical Spanish grapes Macabeo and Airén mingle in this fruity, lively white full of apple, citrus and pear, perfect with all kinds of fish, BBQ chicken or the typical rice paella.

The Bodega which makes this wine exclusively for J&F is one of the pioneering organic wineries in the Valencia region, even using local organic compost and working the soil as little as possible in order to promote biodiversity.

importer of natural wines

Fermina Red

Alicante, Spain

This traditional Spanish grape Monastrell is chosen for its rich aromas of raspberries, dark cherries, forest strawberries and hints of spice: a pleasing and versatile red for all occasions (and pockets). The Bodega de Pinoso makes this wine exclusively for J&F and is one of the pioneer organic wineries in the Valencia region. They take special care to work the soil in a way that promotes biodiversity and the overall health of the vineyard.
